EXPERIENCE

Health Value Lab - *Web Development Team Lead*

April 6, 2023 - Present

- Led a project that secured grant funding, won the Student Value Challenge , and will be presented at the HVPA National Conference
- Collaborated with both front-end and back-end teams in the development of a website using React.js and Node.js
- Developed a feature to provide a breakdown of medical costs, helping users understand the financial implications of their choices
- Implemented a note-taking capability that tracks with the user, allowing them to notate relevant information and observations
- Upgraded toggle feature allowing users to minimize section headers for improved navigation and readability

Jade Palace, Scottsdale - *Hostess*

February 15, 2020 - September 2, 2021

- Took to-go orders over the phone and online
 - Worked the register and calculated staff hours and pay
 - Opening and closing responsibilities
-

EXTRACURRICULARS

Youth Rising, Scottsdale - *Volunteer Peer Leader*

May 2019 - March 2021

- Used peer mentorship to guide children & teens through issues they face and teach about mental health, healthy relationships, and tools we can use to improve ourselves
